

HATFIELD PARK

The stunning, historical woodland that surrounds Hatfield House is yours to explore. We hope you enjoy the experience and politely ask that you follow the rules below, always be considerate & polite to others and treat all those that work here respectfully.

We welcome dogs into Hatfield Park but please ensure they are kept under control & on leads when near live stock. Please clear up after your dog using the dog bins provided.

Please help us to keep the park clean. Dispose of any rubbish in the bins or please take it home.

Please respect the natural environment. Please do not pick wild flowers, be respectful of the veteran trees, do not disturb wild animals or birds and stay on formal paths.

If you see anything wrong in the park please tell a member of the team who can always be found at Station Lodge or call 07771594036.

Cycling, drones or scooting are not permitted in the park.

Please do not swim in the lake or paddle in the fountain.

Please do not light fires or barbecues.

Please allow plenty of time to leave the park before closing. If you are unsure what time you are required to exit, please speak to a member of staff or visit our website.

Hatfield Park is a busy events venue, please respect occasional access restrictions.

Enjoy and respect the special nature of Hatfield Park, if we all take care of this wonderful environment then you will have done your bit to aid its survival for future generations to enjoy.
