AT HATFIELD PARK

HATFIELD PARK

The Queen Elizabeth Oak Field & Showground

Located just 25 minutes from London Kings Cross with easy access by rail and road, Hatfield Park offers a flat, open parkland setting with multiple access points, and an experienced events team.

Event Spaces

The event areas are flat, well-draining and thoroughly maintained by our Park and Gardens team. With 7 miles of hardstanding internal roads, and up to 8 entrances available, Hatfield Park can offer multiple ingress and egress routes to The Queen Elizabeth Oak Field and Showground.

Support

We have established strong working relationships with the local Safety Advisory Group (SAG) and experienced support teams to ensure your event runs smoothly and to plan.

Location

Whether travelling by car or train Hatfield Park is simple and easy to get to. By road we are positioned just outside the northern boundary of the M25 with the A1 and M1 close by.

- 21 miles from Central London
- 7 miles North of the M25 motorway (junction 23)
- 2 miles East of the A1(M) (junction 4)

Hatfield railway station is directly opposite our main pedestrian entrance, with our largest event site being just a 10 minute, picturesque walk from the gates across the Park.

- The fast train from Kings Cross to Hatfield main line station takes 25 minutes.
- London Underground links with the rail network at Finsbury Park (Piccadilly and Victoria lines)
